- ★ This meeting is for adults/parents only
- ★ My goal is for kids and dogs to live respectfully and harmoniously together

Add on - Fido Concierge

\$125

Are you wanting some extra TLC for the beginning? Fido Concierge will allow access to text me with any questions (even those 'stupid' ones where you just want to get a second opinion or make sure something is normal) that come up during the first month of having your dog. I will get back to you within one business day at most via text. This offering is available to clients who purchase a package.
